Notes of meeting held on 25.10.22

Started at 19.05

Present: CA/MOS/AT/DM

- Viewed number of Neighbourhood Plan layouts and styles
- Group decided A4 layout was our preference
- Selected Georgham Parish Council Plan as our favourite. Single photograph on the front, with clean layout of wording throughout the document, change of text colour was used to divide the paragraphs and highlight policies making each section distinctive with some local photographs included to break up the 'wall' of text.
- Joe (RCS) to feedback on SWDPR and how this affects Warndon NP.
- Significant Gap – Map
- Decide on wording on Significant Gap

Action

Ask committee members if they have any local photographs that could be used in the NP document.

Next meeting 4th Nov 22 @ 10. 00 am

Go through photographs to select appropriate ones relevant to the policies.
