All hard copy responses now handed to RCA for processing.

Statutory Consultees responses from Env Agency, Natural England, Tetlow \King on behalf of Bromford Housing, Whittington PC, NCB, James Dinn Worcester City Council, Paul Collins WCC Worcs County Council, Historic England, Severn Trent,

Sian to provide a response to Tetlow King and report on all other responses.

Discussion took place re WCC Planning Team. Changes to personnel.

AT confirmed Chair and AT had a meeting arranged with WCC on 13th July, by which time RCA are hoping to have the report on consultation feedback completed, in order to take to the meeting.

Discussion took place regarding response rates compared to previous resident's Questionnaire.

RH queried if this was sufficient mandate to satisfy inspector? It was suggested that by assumption that no negative responses were received everybody was generally happy with things.

Once all of the feedback has been taken into consideration the next step is to send to WCC who will then consult with our residents (ideally towards the end of this year) with inspection expected early part of next year, but if this schedule slips then it could affect the date of referendum!

Meeting finished at 8.45 p.m

Next meeting 27/7/21
