### A4440 Antisocial Driving

Residents expressed concerns about antisocial driving on the A4440 recently, I have requested a cctv camera to be reinstated at the entrance of Nunnery Park (Bluebell Farm, etc).

### Swinesherd Way "splitter" island

After a visit with our County Highways liaison officer, to assess the issues and discuss with local residents and businesses, new vergemaster bollards have been installed to protect verges at the entrance to the northbound lane which runs past the Plymouth Brethren Church building.

Double yellow lines are also being proposed at the bends, to reduce damage to verge and water company assets arising from large vehicles being hindered by parked cars on the bends of that lane. The yellow lines will involve consultation and legal work, so not an instant solution. A “keep left” bollard was vandalised and removed (unauthorised) so that will be reinstated on the eastern end of the splitter island.

## Notable road / path works in/near Warndon Villages - see *https://one.network/ for full details*
