Warndon Villages Parish Council

Neighbourhood Plan update:

For the meeting on 13th April 2026

SWDPR:

The SWDPR has been duly adopted by the SWCs, at their meetings on 25th/ 26th March 2026.

Unfortunately, WVPC's Main Modifications request for the Berkeley Way/ Parsonage Way land (WCEM02) to be deleted from the SWDPR was rejected by the Inspectors, so the land is now formally adopted as "employment land".

Neighbourhood Plan:

No further progress yet, due to work associated with the SWDPR, and related activities.
