WARNDON VILLAGES PARISH COUNCIL

Five-Year Plan 2026–2031

Warndon Villages 2031

Our Community • Our Environment • Our Future

1. Purpose of the Plan

This five-year plan sets out how Warndon Villages Parish Council can build on its existing work and make Warndon Villages an even better place to live, work and raise a family. It provides a clear long-term direction while remaining flexible enough to respond to changes in local government, funding and residents' priorities. The aim should be to establish WVPC as the local voice of the community.

2. Our Vision

By 2031, Warndon Villages will be a strong, attractive and connected community, with protected green spaces, improved local facilities, safer roads, greater community participation and a Parish Council that represents residents effectively and is ready to take on appropriate new responsibilities.
