Guides

3rd Warndon Guides

28th August 2026

Dear Susan

We would like to thank Warndon Parish Council for their generous grant of £650 towards our large summer camp this year.

From 7th August to 11th August 2026, 3rd Warndon Guides (11 Guides, 1 Young Leader and 4 Leaders) went to Blackwell Adventure in Bromsgrove for our County Camp 'GLOW 2026'.

It was 5 days jam-packed full of activities and entertainment. Our girls challenged themselves with Tree Climbing and Tree Treks, conquered height fears abseiling, squealed with delight descending the giant zipwires and cooled down in the swimming pool.

This fantastic event also had drumming, rugby, dancing, bushcraft and other workshops for our Guides to try, as well as funny challenges and crafts to complete throughout the event. We even had a funfair, inflatables and a colour run on the Sunday which the girls absolutely loved!

Evenings consisted of a disco to open the event, tribute acts, and a silent disco.

We want to say thank you for making this event affordable and accessible to all our Guides, some of whom would have struggled to attend the event without your support. They have had so many exciting and new experiences, which is so important for young people. We hope that these camps will encourage the Guides to stay in Guiding for many years to come and that they become our future leaders!

Kind regards

Eve, Jo, Angie and Jude
