About this crime map

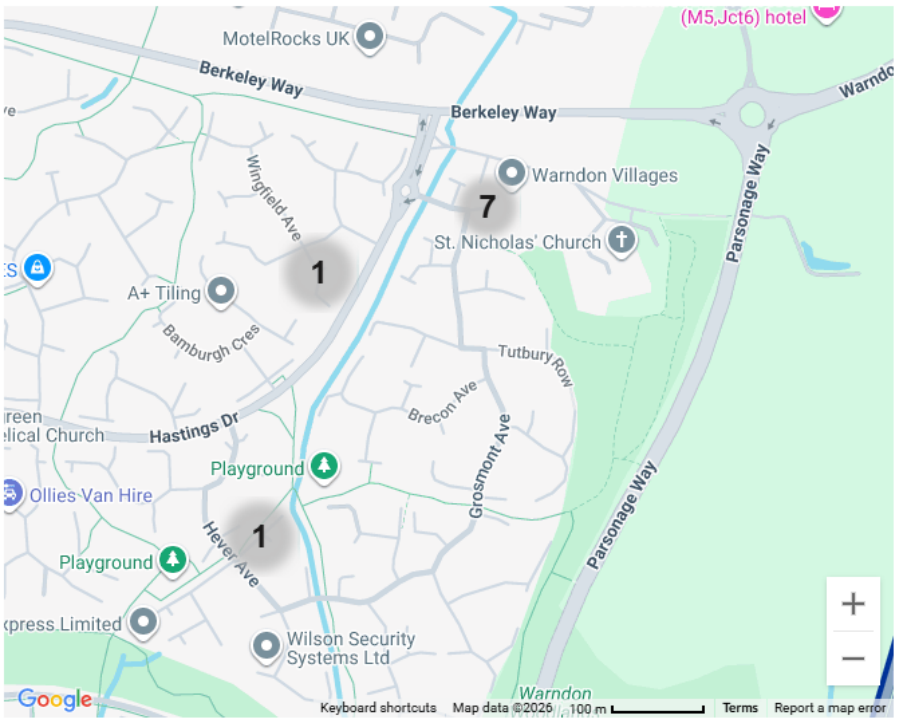

This map uses data from local forces. The hotspots give only a loose idea of where crimes happened. Actual locations and details of crimes are kept anonymous.

Please note that not all crimes that occurred can be shown on the map.

151 incidents of Crime occurred in West Mercia Police could not be mapped to a location and therefore are not on this map. Learn more about how data is managed on police.uk.

Location anonymisation is accurate to 2022 population and housing developments.

Known issues with forces' data are set out in the changelog on data.police.uk.

Crime levels in your area

Crime for last year

View as a list

Clearly the level of crime has dropped in November according to the table, but looking at historical figures this is likely to have increased again in Dec, due to the Christmas period.

It would appear 61 crimes were recorded in this parish in Dec 2025. It is concerning the level of violence & sexual offences alongside 2 cases of possession of weapons.

There appear to be regular presence on Thursdays at Elgar Retail Park, should we need to speak with our local team.

There was an assault on Swinesherd Way 29.1.26

Worcester Police
30 January at 14:12 ·

CAN YOU HELP? | We are appealing for witnesses after a man in his 50s was assaulted on Swinesherd Way in Whittington, Worcester yesterday (Thursday 29 January).

Officers were called to the scene around 4.30pm where a man was found with injuries and taken to hospital.

Two boys, both aged 15, and one man aged 18, were later arrested on suspicion of grievous bodily harm. They are currently in police custody.

Sergeant Julieanna Barker said: "We are appealing for witnesses who may have seen a middle-aged man get assaulted by a group of youths on Swinesherd Way, Whittington at around 4.30pm yesterday (Thursday).

"We know there were several calls made to police and there have been some social media posts relating to this so we are asking for anyone who saw the incident or may have phone camera or dash cam recordings to come forward."

Anyone with information is asked to call 101 quoting log 350i of 29 January or to email Sgt Barker at julieanna.barker@westmercia.police.uk .

Alternatively, information can be passed to Crimestoppers anonymously by calling 0800 555 111 or visiting www.crimestoppers-uk.org.

Government's proposed roads strategy a welcome step forward

I welcome the news from the Government earlier this month that it plans to introduce measures to make our roads safer, including lowering the drink driving limit, and learner drivers having to wait six months before sitting their theory and practical tests.

In 2025, there were 462 collisions on West Mercia's roads, causing 678 injuries. A proportion of these, 12%, involved a driver aged 70 or over. While between January and October, 100 collisions involved drivers aged 17 to 24, with speeding, behaviour and inexperience identified as major contributing factors.

Through correspondence I receive and my work with road safety partners and the force, I frequently hear from bereaved families who are calling for Graduated Driving Licences (GDLs). Despite myself and others supporting this, it is a shame the Government didn't go further by introducing these as part of its strategy.

I will continue to support the bereaved families in West Mercia, calling for GDLs to be introduced and also to limit the number and age of passengers anyone under the age of 24 can carry.

Together with the investments I'm making in educating drivers of all ages about the dangers of speed, distractions and poor eyesight, in conjunction with speed cameras and enforcement operations across West Mercia, will make a difference.
