Warndon Villages Parish Council

Neighbourhood Plan update:

For the meeting on 9th March 2026

SWDPR:

The six week "Main Modifications Consultation" closed on 17th February. All submissions have now (27th February) been forwarded to the Inspectors for their consideration prior to finalising their report.

A copy of WVPC's submission is included with this report. If you have any comments or questions, please let me know.

It is not yet clear how long it will take for the Inspectors to finalise their report, but it seems likely that it will take another few weeks from now.

Neighbourhood Plan:

It is clear from examination of the online SWDPR maps that the green spaces and green network within the parish have been more accurately mapped than before. This should be helpful to our NP, going forward.
