Warndon Villages Annual Parish Meeting

📅 Wednesday 13 May 2026

🕖 7:00pm

📍 Lyppard Hub

This is your opportunity as a resident of Warndon Villages to have your say on local issues, share concerns, and highlight what's working well in our community. The Annual Parish Meeting is held each year between March and June and is a forum for residents — not a Parish Council meeting — although it is facilitated by the Parish Council.

Topics for discussion currently include:

- **Community Governance Review** – including a presentation from Worcester City Council on future options as part of Local Government Reorganisation
- **Road safety in the Villages**
- **Play Streets**

We welcome your views, questions, and ideas. If you have a question or topic you'd like raised let us know in advance by emailing the Parish Clerk (clerk@warndonvillagesparishcouncil.gov.uk) or bring it along on the night. All residents are warmly invited to attend.
